Digital Portfolio Technical Aspects – Portfolio

- To access the Portfolio page, select Portfolio from the blue menu above your picture.
- 2. Click on the name of the goal to access it.

3. The first page that appears will list a breakdown of that goal or standard. Click on the name to access the specific portion of the goal or standard listed.

4. A Rationale/Reflection box will appear. This box is where you will write your Rationale/Reflection and link your piece of evidence. To write your rationale/reflection, click on the Edit button to the right of the Rationale/Reflection.
